

Expert technical writing solutions

OUR PROFILE

Welcome to Bárd

Bárd is a leading, award-winning technical writing company that facilitates meaningful connections between businesses and their audiences on a global scale.

We drive success through personalized and managed technical writing and consulting services. Our team of experts combines technical expertise with creative storytelling to demystify complex topics and empower audiences.

BÁRD

Who we are

At Bárd na nGleann, we've been proudly helping our clients share their stories for 25 years. We're a trusted name in technical documentation and managed technical writing services, and our longevity speaks to our reliability and the exceptional quality of our work.

Our experienced team, based in the US, Europe, Asia, and Latin America, celebrates diversity and expertise and are our greatest asset.

Our approach

With a focus on clarity, innovation, and engagement, we strive to make technology accessible and understandable for everyone. We embrace warmth, professionalism, and innovation in everything we do, placing people at the heart of every message.

We prioritize both the journey and the destination, fostering strong connections with clients to provide practical value for sustainable businesses.

 Our goal is to be the most trusted technical writing company for our technology clients.

BÁRD

The Bard Advantage

Our commitment to excellence, attention to detail, and user-centered approach make us the ideal partner for your documentation needs.

Here's why clients trust us:

- **Experienced writers:** Our team comprises seasoned technical writers with expertise across a multitude of industry types. They bring a wealth of knowledge and experience to every project.
- **Quality assurance:** We adhere to stringent quality control processes to ensure that your documentation is accurate, error-free, and professionally polished.
- **Customer satisfaction:** We pride ourselves on delivering exceptional customer service. Your satisfaction is our top priority, and we go above and beyond to exceed your expectations.

 Let us help you reach your objectives by scaling your technical writing team to ensure the success of your project and product launches.

Ready to transform your technical documentation?

Reach out to us today to find out how our technical writers can enhance your team and deliver your projects with managed high-quality technical writing services.
